The Right Shipwreck

Eastern Shipbuilding Group (ESG) engineers and builds a variety of large and complex commercial ships including fishing vessels, ferries, tugs and tugboats, fireboats, offshore supply vessels and special vessels such as dredge barges. Recently awarded the largest single contract for the U.S. Coast Guard, recent studies estimate 10,304 direct, indirect and induced jobs will be created through to 2028, not only in Florida but all across the U.S.
