## Manufacturing News

### What Manufacturers Can Expect From Trump's Presidency

*How President-elect Trump's proposed approach to taxes, foreign trade, regulations, and tariffs will impact manufacturing and distribution.*

*It's official: Donald Trump is heading back to the White House, and Republicans have taken control of the Senate and the House of Representatives. Given these changes, manufacturers are understandably anxious about how the president-elect's proposed policies will impact their business come 2025.*

*While it's important to be aware of what policies he is proposing for his presidential term, it's even more imperative to understand the specific, tangible implications of each ruling.*
