

Industry Today's Digital Magazine December Issue Coming Soon

The Future Is Made Here Celebrating American Manufacturing's Comeback

Here's a sneak preview of just some of the exciting content coming soon: stories of innovation, resilience, and the people powering the future of manufacturing.

 **Powering Up Hyundai's Excellence in Next-Generation Manufacturing**
Hyundai Motor Company has outpaced its competitors in EV and fuel cell innovation, moving its operations and the future of mobility light years ahead.

 **Moser on Manufacturing — Award-Winning Reshoring Success Stories**
American manufacturing is roaring back. Harry Moser, Founder and President of the Reshoring Initiative®, spotlights companies that are rebuilding domestic supply chains through innovation, automation, and smart economics.

 **Inspiring Tomorrow's Manufacturing Leaders, Today**
Manufacturing's future depends on people and Saint-Gobain North America is building that future today. Through its *Sustaining Futures, Raising Communities* program, the company is inspiring students to explore hands-on careers in modern, technology-driven manufacturing.
