

Inside the Strategy A Conversation with Carpedia International

The Latest Must-Listen Podcast is Here!

In this episode, I was joined by Beejan Giga, Director & Partner and Caleb Emerson, Senior Results Manager, both from Carpedia International. We took a deep dive into the thinking behind their recent [Industry Today article](#), where they challenge manufacturers to look beyond short-term decisions and plan several moves ahead.

Our conversation unpacked how organizations can strengthen their operational foundations, work more effectively with suppliers, and create the capacity needed for smarter, intentional growth. If you're interested in strategic execution, performance improvement, or the future of manufacturing leadership, this episode offers a sharp, insightful look at what it really takes to stay ahead of the curve.
